NSAI HOST EXPERTS IN ARTIFICIAL INTELLIGENCE

Following the passage of the EU AI Act, the focus now shifts to the development of standards to support its implementation. Minister Calleary was guest of honour at the 'Shaping the Future Through AI Standards' event, jointly hosted by NSAI and the SFI ADAPT Centre recently. NSAI also co-hosted a key European Standards Technical Committee on AI which saw experts from more than 25 countries come together to work on AI standards development
